

WorldSafe

# Workplace Violence Prevention Plan

## Overview

Ensuring our clients achieve seamless and efficient compliance with the nation's first workplace violence prevention law, SB-553, signed by Governor Gavin Newsom with an effective date of July 1, 2024.

## Benefits

### Risk Mitigation

Proactively address workplace violence risks.

### Legal Assurance

Stay compliant with expertly crafted solutions.

### Employee Safety

Equip your workforce with essential knowledge.

## What We Offer

### Assessment

WorldSafe conducts a comprehensive assessment of your workplace, identifying risks and existing safety measures.

### Creation of Plan

Crafting a tailored and effective Workplace Violence Prevention Plan, we ensure compliance with California SB-553, covering key elements like written plan, incident log, and training.

### Compliance

WorldSafe facilitates swift and seamless compliance, integrating the plan into your existing protocols for a safer work environment.

# 1.3 million

nonfatal workplace violent crimes occurred annually in the US, on average, from 2015 to 2019.

U.S. Department of Justice  
Indicators of Workplace Violence, 2019
